

### **Seasonal Choir & Handbells**

The seasonal parish choir & handbells are perfect for anyone who loves to sing/ring or is looking to gain musical experience. This is also a great way to “test the waters” and see if you would like to participate in our music ministry more regularly. The seasonal choir rehearses in preparation for the major liturgical celebrations of the year, such as Christmas, Easter, and Pentecost. We rehearse for 5-6 weeks leading into the celebration and then break until the next session convenes.
